

**Arbor Day April 29, 2011
Cub Scout Scavenger Hunt**

Use your senses to find and check off each item.

Happy hunting!

- A tree younger than you
- An insect on a tree
- A songbird in a tree
- A bird's nest in a tree (don't disturb it!)
- A twig with a "face"
- An animal's home in a tree
- A tree shaped like a triangle
- A tree that's changed something
- A stump telling a tree's history
- Dried tree "blood" (sap)
- Last year's leaf still on a tree
- Three leaves with different shades of green
- A partially eaten seed cone
- A tree with a healed injury
- A tree that could use your help
- A tree three times as tall as you
- A seedling just sprouting near an older tree
- Five things you've used today that have come from trees
